

FALL 2016 RUTGERS GEOLOGY MUSEUM EVENTS

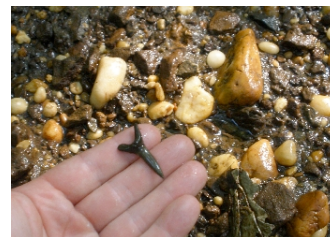

FOSSIL HUNTING!

→ Saturday, October 8th, 2016

Find your own fossils on a guided trip to the Big Brook Preserve in Colts Neck, NJ with Rutgers University geologists. This site is famous for its prolific marine fossils.

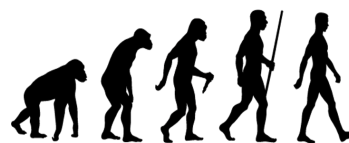

Registration is now open on our website.

Maximum of 50 people. Please no unaccompanied minors. We reserve the right to cancel any trip that has not reached a minimum of 25 people.

Late Nights at the Museum

Our popular series continues with new activities!

Held on the first **Wednesday** of each month. Come to the museum to enjoy activity stations for children and adults alike from 4pm-8pm.

Oct. 5, 2016	Fossils and Dinosaurs	Take a step back in time and come with us to discover the different types of dinosaurs and other prehistoric plants and animals that have inhabited the Earth during the Paleozoic, Mesozoic and Cenozoic Eras
Nov. 2, 2016	Microbes	Come learn about the big impact these little organisms make on Earth and their importance to all other forms of life.
Dec. 7, 2016	Anthropology	Come and discover how Anthropologists study the changes in humans and culture through time.

Birthday Parties at the Museum

Come celebrate your child's next birthday at the Rutgers Geology Museum! We offer geologic themed birthday parties for children ages 5 and older.

Choose from one of our two exciting packages.

- Arts & crafts package- Includes two dinosaur, Egypt, or mineral themed activities and a scavenger hunt.
- Paint Along package- Includes a 1.5 hour step-by-step guided instruction of a natural history themed painting.

Reservations are now being taken for Saturdays and Sundays and must be made at least one month in advance of party date. Packages are available for groups of up to 20 children. Check out our website for pricing and registration!
