**Fossil Hunting** – Saturday, October 6, 2018, 11:00 am – 2:00 pm
Find your own fossils on a guided trip to the Big Brook Preserve in Colts Neck, NJ with Rutgers University geologists. This site is famous for its prolific marine fossils.

**Ecology and Geology of the Raritan River** – Sunday, October 14, 2018, 1:30 – 4:30 pm
Join Rutgers geologists at Johnson Park in New Brunswick to learn about the geology of the Rutgers campuses and Raritan River. Explore the ecology of Rutgers during a boat ride along the banks of the old Raritan.

**Late Nights**
Held on the first Wednesday of each month. Come to the museum to enjoy activity stations for children and adults alike from 4 pm-8 pm. These events are free and open to visitors of all ages!

| October 3rd 2018 | Dinosaurs & Fossils | Take a step back in time to discover the different types of dinosaurs and other creatures that inhabited Earth during the Paleozoic, Mesozoic and Cenozoic Eras! |
| November 7th 2018 | Minerals | Re-use your Halloween costume and come dressed as your favorite Super Hero while learning about some powerful minerals! |
| December 5th 2018 | Volcanoes | This event will focus on some of the most explosive features on the planet! |

**Birthday Parties**
If your child has a love for dinosaurs, fossils, mummies, or minerals, celebrate their next birthday at the Rutgers Geology Museum! We offer geologic themed birthday parties on Saturdays and Sundays for kids of all ages!

Choose from two packages:

- Standard Party- Includes two arts & crafts activities and a scavenger hunt
- Paint Along Party- Includes a 1.5 hour step-by-step guided instruction of a natural history themed painting and a scavenger hunt (This party can also be booked for adults on select nights).

*Registration for these events can be found on our website at [https://geologymuseum.rutgers.edu/museum-events](https://geologymuseum.rutgers.edu/museum-events)*
